## THE SETTING

Minneapolis is noted for its world-class medical facilities and treatment expertise, R&D, and hundreds of medical device companies. The city features many lakes and parks, excellent restaurants, a lively theater scene, major league sports, including the Minnesota Twins, Vikings, Wild, and the Timberwolves. Across the Mississippi River from Minneapolis lies its gracious sister city, St. Paul, Minnesota's capital and the home of excellent dining and entertainment. Nearby, you can explore the Mall of America (the nation's largest shopping and entertainment complex) or visit Mystic Lake Casino Hotel. There are also numerous golf courses in the Metro area.
