Sherie Wheeler Promoted to Regional Manager at Electromed, Inc.

NEW PRAGUE, MINNESOTA, December 18, 2009 - Sherie Wheeler, CRT, RCP, has recently been promoted to Regional Manager (Central US) at Electromed, Inc. She will be responsible for the planning, development and recruitment of the sales team within the Central U.S. In reference to her promotion, Sherie stated that "It has been very gratifying to advance in my career while working for a company that is an innovative leader and is committed to their philosophy of helping and putting the patient first."

Sherie has been in Electromed's employ from 2005. For nearly 30 years in the respiratory industry, she had been a Respiratory Therapist in various hospital settings including pulmonary rehabilitation, smoking cessation and patient education. Prior to joining Electromed, Inc., in a role she held as the Director of Programs at the American Lung Association of Iowa, Sherie directed the Camp for Kids with Cystic Fibrosis and Asthma. Additionally, she served in myriad capacities at the Iowa Society for Respiratory Care. Some of these roles included President, Delegate to the AARC, as well as Chairman of the State Respiratory Conference. In 2002, Sherie was honored as the recipient of the State Presidents Award. Electromed is proud to have presented her with the Rising Star Award in 2009. She holds a Respiratory Therapy degree from Northeast Iowa Community College.

Electromed Inc. is the innovative leader in the development, manufacturing, and worldwide sales of the SmartVest® Airway Clearance System, a patented medical device that uses High Frequency Chest Wall Oscillation (HFCWO) to provide Chest Physiotherapy (CPT). HFCWO has been proven to clear the lungs of excess mucus and improve lung drainage, thereby reducing lung infections. Electromed, Inc., the first to provide a portable, programmable, and multi-positional operating system, takes pride in claiming its place as the "Innovative Leader in Airway Clearance."

For more information on the SmartVest® Airway Clearance System or HFCWO therapy, contact Electromed, Inc. at info@electromed.com or 800-462-1045 or visit www.electromed.com.
