Breanna Gruhlke, CPA, Assumes Senior Staff Accountant Position at Electromed, Inc.

NEW PRAGUE, MINNESOTA, June 28, 2010 – Breanna Gruhlke, CPA, has been hired to oversee the day to day accounting functions at Electromed, Inc. Located at the Corporate Office in New Prague, MN, she is responsible for all Electromed, Inc. accounting procedures and practices.

Ms. Gruhlke joined Electromed, Inc. in May of this year, bringing 3 years of experience in accounting and business. After earning a Bachelor of Science in Business Accounting and Finance from the University of Wisconsin – Eau Claire, Breanna served as an Accountant at PDM Bridge, LLC. She also brings professional expertise from LarsonAllen LLP, where she worked as a Staff Accountant. As a member of Beta Alpha Psi, The American Institute of Certified Public Accountants, and the Minnesota Society of Certified Public Accountants, Ms. Gruhlke brings exceptional talent in accounting to Electromed, Inc.

In response to her hiring, Ms. Gruhlke stated, "It is rewarding to be a part of a company that is so focused on its patients and customers. I am looking forward to serving Electromed, Inc. as it continues to grow."

Terry Belford, Chief Financial Officer, added, "Breanna's experience and training in public accounting will be an asset to Electromed, Inc. We are excited about the contribution she will make to our accounting department."

Electromed Inc. is the innovative leader in the development, manufacturing, and worldwide sales of the SmartVest® Airway Clearance System, a patented medical device that uses High Frequency Chest Wall Oscillation (HFCWO) to provide Chest Physiotherapy (CPT). HFCWO has been proven to clear the lungs of excess mucus and improve lung drainage, thereby reducing lung infections. Electromed, Inc., the first to provide a portable, programmable, and multi-positional operating system, takes pride in claiming its place as the "Innovative Leader in Airway Clearance."
