**Patty Kreoger Promoted to Clinical Specialist Position at Electromed, Inc.**

NEW PRAGUE, MINNESOTA, July 20, 2010 – Patty Kreoger, RCP, BS, has been promoted to Clinical Specialist at Electromed, Inc. Her responsibilities include maintaining and dispensing clinical knowledge to support the Clinical Area Managers throughout Electromed, Inc.

Ms. Kreoger joined Electromed, Inc. in January of 2005 as a Patient Services Representative. With a specialty in respiratory therapy, she brings a decade of experience in educational and sales programming within the medical device industry. Prior to joining Electromed, Inc., Ms. Kreoger shared her professional expertise as an Account manager in the HFCWO field and then a Coordinator for Durable Medical Equipment at a University Hospital. Ms. Kreoger holds a Bachelor of Science in Speech Communication from Southern Illinois University and Certification of Respiratory Therapy from Southwest Community College in Virginia. prior to her move to Electromed, Inc.

In response to her promotion, Ms. Kreoger stated, "As a staunch advocate of continuing education, I thrive on promoting patient and health care workers training. When both sides are informed, this huge reciprocal component promotes self-management of the disease. It is rewarding to be associated with Electromed, Inc., a company that is sincere in its care for patients. That's what makes us a leader in our field."

Electromed Inc. is the innovative leader in the development, manufacturing, and worldwide sales of the SmartVest® Airway Clearance System, a patented medical device that uses High Frequency Chest Wall Oscillation (HFCWO) to provide Chest Physiotherapy (CPT). HFCWO has been proven to clear the lungs of excess mucus and improve lung drainage, thereby reducing lung infections. Electromed, Inc., the first to provide a portable, programmable, and multi-positional operating system, takes pride in claiming its place as the "Innovative Leader in Airway Clearance."

For more information on the SmartVest® Airway Clearance System or HFCWO therapy, contact Electromed, Inc. at [info@electromed.com](mailto:info@electromed.com) or 800-462-1045 or visit [www.Electromed.com](http://www.Electromed.com).
